Schools and Libraries Program: CC Docket No. 02-6

November 25, 2015

To Whom It May Concern:

The Au Gres-Sims School District is requesting a one-time waiver of the FCC 120 day deadline for filing an Invoice Deadline Extension Request for the following BEAR forms. We were unaware of the deadline at the time of filing, and filed the Form 472s on November 17, 2015, after the October 28, 2015 deadline.

USAC has clarified the process for us and has advised that a waiver request must be filed with the FCC. Please advise if additional information is needed.

Sincerely,

Lori Little
Executive Assistant

Thank you for your inquiry.

Applicants and service providers may request a single, one-time 120-day extension of the deadline to submit an invoice – FCC Form 472 (BEAR Form) or FCC Form 474 (SPI Form).

The deadline for submitting an invoice extension request is 120 days after the last date to receive service or 120 days after the date of the FCC Form 486 Notification Letter, whichever is later.

If an invoice deadline extension request is not timely filed, you must first file a waiver request with the FCC and the FCC must grant your waiver request before USAC can extend the invoice deadline.

For instructions on submitting an Invoicing Deadline Extension Request please see the following link:
<http://www.usac.org/sl/applicants/step06/invoice-extensions.aspx>

USAC updates the FRN Extension Table after an invoice deadline extension request has been successfully processed: http://www.sl.universalservice.org/utilities/FRN_CurFundExt.asp

To use the FRN Extension Table, choose the appropriate funding year and click Next. This will pull up a list of all FRNs with extended deadlines. You can use Ctrl+F on your keyboard to search the page for your FRN. The extended deadline will appear in the far right-hand column of the search results.

If you have any further questions, please feel free to contact our Schools and Libraries Helpline at 1-888-203-8100. Please remember to visit our website for updates: <http://www.usac.org/sl>

Thank you,
